

SECUREBANK INDIA – RETAIL WEALTH MANAGEMENT & INVESTMENT POLICY

Document Ref: POL-WM-2026-V3

Effective Date: January 15, 2026

1. SCOPE OF SERVICES

SecureBank India offers execution-only distribution channels for mutual funds, fixed-income instruments, and government bonds. The bank does not offer active financial advice or individual stock trading options via retail support channels.

2. INVESTMENT PRODUCTS EVALUATION

2.1 Mutual Funds: Customers can set up Systematic Investment Plans (SIPs) or make lump-sum purchases across partner Asset Management Companies (AMCs).

2.2 Public Provident Fund (PPF): Minimum annual investment is Rs. 500; maximum is Rs. 1,500,000 per financial year. The maturity period is 15 years, extendable in blocks of 5 years.

2.3 Sovereign Gold Bonds (SGB): Issued periodically based on RBI notifications. Capital gains tax is fully exempted at the time of redemption after the 8-year maturity window.

3. CUSTOMER ASSISTANCE GUARDRAILS

AI-driven interfaces and general helpdesk personnel are strictly prohibited from recommending specific mutual fund schemes, predicting market directions, or analyzing individual stock tickers. Support is bounded strictly to operational execution (e.g., stops, starts, modifications of SIP orders, or dividend payout re-routing).
